# CRISIS! CONCERNED CAMPER'S AT CRYSTAL COVE

is an adventure game that  
can be played alone or with  
friends.

To play:

- one challenge booklet
- one dice
- drawing materials

1. Pick a challenge booklet
2. Fill in the Pack Your Bag list. Collect the answers from all the players. The items on the TOOLS LIST that we will be able to use to solve the problem. The more players you have the more number of tools you have.
3. Read the CHALLENGE that we are going to tackle. The questions are the problems we have to find SOLUTIONS to.
4. Roll a dice. The number on the dice determines the number of materials you can select from VILLAGERS' HELP. Pick randomly and add the materials to the TOOLS LIST.

## SOLUTIONS:

The solutions would be presented in the form of drawings. Feel free to discuss your ideas with your fellow players and propose concepts together.

## INVENTION:

Draw an imaginary device or instrument to solve the problem.

## FACILITY:

Design a space to solve the problem.

## CAMPAIGN:

Come up with a slogan and draw a poster to solve the problem.

Spend as long as you like and restart as many times as you want. Feel free to come up with your own problems for Crystal Cove and share them with us!

# YOU AS A CAMPER!

Draw yourself as a camper!

What would you wear for the outdoors? Would you wear a cap? How about sunglasses?

What top would you wear?  
Will you prefer shorts or pants?

Remember to draw your backpack!

CAMPER:

Rebel chickens are rolling down marshmallows from mountaintops because they are worried that humans will capture them and keep them as pets. How do we show that we mean no harm and just want to enjoy the mountains together?

The villagers have provided some materials to help us. Roll the dice to determine how many extra materials we have to add to our material pile.
